Memorandum of Understanding (MoU)

This Memorandum of Understanding ("MOU") is made on this day of 1st August 2023 and sets for the terms and understanding between

Office of Deputy Commissioner of Gurugram

And

Parashar Foundation

Parashar Foundation is a Public Charitable Trust registered under section 12A of the Income Tax Act 1961, having its registered office at D-119, Defence Colony, New Delhi 110024, India, actively engaged in the promotion of and creating awareness in respect of Organ Donation and Transplantation in India through its project 'ORGAN (Organ Receiving & Giving Awareness Network) India.

And Whereas, Parashar Foundation and the Office of Deputy Commissioner, Gurugram District Haryana agree to work in cooperation and in accordance with all applicable laws, regulations, and other legal standards, for the program "Angdaan Mahadaan".

ORGAN India [OI], Parashar Foundation [PF] and the Office of Deputy Commissioner, Gurugram District Haryana [DC-PH] shall be collectively referred to as the 'Parties' and individually as a 'Party'.

NOW THEREFORE THIS MOU WITNESSES AS FOLLOWS:

1. Overall Objective

This MOU is being created for the purpose of increasing mass awareness on organ donation and transplantation in the District Gurugram of Haryana.

The goal is to sensitize lakhs of people on the concept of organ donation so that many lives can be saved. Over thousands of people face organ failure every year and very few manage to find an organ for transplantation.

People across the area will be made aware of various aspects of organ donation and transplantation and be urged to join the cause by pledging organs and talking to their families about the subject. Hence the grander objective is to increase the availability of organs for transplantation and reduce the number of patients waiting for a transplant.

2. Specific goals

The parties have agreed to work on "Angdaan Mahadaan" program with the following specific activities: -

- Talks on organ donation and transplantation.
- Seminars & Workshops on organ donation and transplantation.
- School awareness sessions on organ donation and transplantation.
- College awareness sessions on organ donation and transplantation
- Radio shows on community radios on organ donation and transplantation
- Posters, brochures, banners and other IEC Materials on organ donation and transplantation

3. Role of Parashar Foundation (PF) via its initiative ORGAN India (OI)

- OI, PF will create a pool of human resources master trainers (MTs) and mentors in the district to lead structured awareness sessions on organ donation and transplantation in the future.
- OI, PF will go for awareness sessions in schools, colleges and other platforms on organ donation and transplantation.
- OI, PF will provide the use of its IEC material to accomplish the above goals and carry out all the activities.
- OI, PF will use all its website and social media platforms to highlight the work done and activities carried out by OI in the Angdaan Mahadaan program in the District Gurugram.
- OI, PF will advise and strategize with the government on the overall programme.
- OI, PF will provide strategic inputs on program designing and implementation of the programme.
- OI, PF will put logos of District Gurugram on the organindia.org website indicating them as partners.
- OI, PF will use its network of Advisors and Contacts to further the cause of organ donation and the transplantation in District Gurugram when needed.
- OI, PF will send all those who sign up for organ donation, E-Donor cards with registration numbers from NOTTO, and a certificate – provided that people sign-up on the www.organindia.org website.

4. Role of the Office of Deputy Commissioner, District Gurugram

- Appoint a nodal officer within the Department to lead the program with ORGAN India.
- Directive to be issued from the District Education Officer to all schools and colleges asking them to arrange a session on organ donation in schools and colleges exclusively with ORGAN India, Parashar Foundation representatives once a year. Date and time of the session to be decided at mutual convenience of the school and ORGAN India

representatives. These will be either virtual or on ground depending on the situation with Covid-19. In the absence of on-ground sessions, all sessions will be virtual and/or through recorded videos made for students.

- Facilitate In setting up of Hospital CMEs (continuous medical education sessions), awareness sessions in schools, colleges, Government institutions, offices, RWAs etc. for ORGAN India to conduct talks on organ donation and transplantation. These can be virtual till the time Covid-19 persists.
- Provision of training venues for any trainees whom ORGAN India will train, and who will then take the program forward in the far reaches of the district over the year.
- Issue other Directives in favour of ORGAN India, Parashar Foundation as deemed necessary by district administration to iron out impediments that arise in course of implementation, so that the 'Angdaan Mahadaan' programme can be rolled out smoothly.
- ORGAN India Representative to be an Advisor to the District Administration on Organ Donation and Transplant with no remuneration/salary.
- OI, and PF may be given due acknowledgement on all media platforms where the program is discussed.
- Issue Letter of appreciation on work carried out by ORGAN India, Parashar Foundation at the end of every year or as deemed necessary.

5. Review and Reporting:

MEMORANDUM OF UNDERSTANDING (MoU)

Between
Global Institute of Technology and Management, Gurugram (Haryana)
and
AlgoCircus Private Limited

OBJECTIVE

The purpose of this Memorandum of Understanding (MoU) is to establish a long-term collaboration between the Global Institute of Technology and Management, and AlgoCircus Private Limited for setting up an Industry Integrated Lab in Salesforce. This collaboration aims to enhance students' industry readiness, bridge the gap between academic learning and real-world technological applications, and foster innovation in the domains of Salesforce and AI Driven CRM Solutions.

SCOPE OF COLLABORATION

1. Training and Skill Development:

AlgoCircus will conduct comprehensive Salesforce training programs for the GITM students covering Salesforce concepts (Administrator, Developer, Agentforce and related modules) as per the timelines agreed upon by both parties normally 1 virtual bi-weekly session (1-2 hours each as per mutual plan) and 1 guest lecture per month on campus (as per the mutual consent and agreed upon timelines by both parties).

Any task allocated by AlgoCircus to the students shall be completed and a dedicated faculty representative shall be aligned by GITM to ensure that the students are completing tasks and are active.

2. Salesforce Lab and Technical Support:

AlgoCircus will provide necessary software in terms of Trailhead IDs (To be created by students via Salesforce Platform Availability) and Free Developer Edition Orgs IDs (To be created by students via Salesforce Platform Availability) and technical support required for establishing and operating Salesforce. Necessary guidance may be extended from time-to-time to ensure smooth lab operations and continuity of learning activities.

3. Internship and Pre-Placement Opportunities:

Eligible and high-performing students may be offered internships, live projects, and potential Pre-Placement Offers (PPOs) as and when required by Algocirrus.

In case the student(s) accepts the offer/PPO/Internship provided by Algocirrus, then GITM shall ensure that they are not forfeiting and shall be joining on the given date & further shall complete any necessary requirement or association period.

4. Industry Exposure and Expert Sessions

AlgoCirrus will facilitate industry exposure sessions, including expert talks, live demonstrations (where feasible). In such events, the minimum number of students required to attend these events, as outlined by Algocirrus prior based on individual scenario, shall be fulfilled by GITM.

Also, if Algocirrus shall organize any off-campus event wherein the students/college shall be invited, then too the minimum number of students required to attend these events, as outlined by Algocirrus prior, shall be fulfilled under GITM's responsibility with mutual understanding.

5. Project Mentoring and Capstone Guidance: (Subject to Availability)

Experts from Algocirrus will provide mentorship and technical guidance for student projects and capstone work related to Salesforce, CRM solutions, and cloud-based business applications.

6. Collaborative Support for Institutional Events:

AlgoCirrus may extend collaborative support for institutional initiatives such as hackathons, Workshops, Seminars, Panel discussions and conferences, through participation in technical sessions, judging panels, as mutually agreed.

ROLES AND RESPONSIBILITIES

Global Institute of Technology and Management:

- Will provide the required infrastructure, laboratory space, computing facilities, and connectivity for setting up and operating the Lab.
- Will ensure student participation and academic integration of relevant technologies in the curriculum.
- Will coordinate administrative and academic support for all joint initiatives.
- Will align a dedicated faculty member to help manage this program with Algocirrus.

Algocirrus Private Limited will:

- Will provide technical expertise and training modules (via Trailhead) for program execution.
- Will identify and nurture student talent for internships and placement opportunities.
- Will support with Career Counselling/Guidance along with support for any use case development opportunity.
- Will provide E-Certificate for Training Completion at the end of the program along with more recognitions for top performers of the program.

USE OF LOGO AND BRANDING

Both parties may use each other's logos, names, and branding materials for promoting joint programs, publications, and events under this collaboration, subject to prior mutual consent and while this MoU remains in force. Further, even upon exhaustion of MoU, Algocirrus may use GITM's logo in their portfolio.

COORDINATION AND GOVERNANCE

Dr. Aruna Yadav from GITM and Director, Algocirrus shall monitor the implementation of collaborative activities, review progress, and recommend future directions. Neither party may assign its rights or delegate its duties without the written consent of the other.

There shall be a faculty representative from GITM who shall maintain all the necessary participating student's data for all the batches associated, such that, if Algocirrus needs any information then that person must be able to produce the same as student(s) may not be approached in that scenario by Algocirrus.

DURATION AND TERMINATION

This MoU shall come into effect from the date of signing and shall remain valid for a period of **ONE (1) year**, subject to renewal by mutual consent. Either party may terminate the MoU by giving a 30-day written notice, subject to settlement of ongoing obligations.

Other Terms:

1. For any association or collaboration with respect to Salesforce, Algocirrus will be the only preferred WFD partner for GITM to engage with till this MoU is in existence.
2. The students may be expected to engage and interact with Algocirrus's post along with promotion of the same. Further, both GITM and Algocirrus shall also plan some co-branded social media content as well.

3. The students shall be required to maintain their Trailhead IDs as guided by Algocirrus along with maintaining necessary scores, certifications, etc.

4. As a part of this initiative, students shall be motivated to get Salesforce certifications. Algocirrus may try to support with some discount coupons (completely based on possibility, not a guarantee). Further, all the certifications/achievements shall be regularly shall with Algocirrus by GITM.

5. Algocirrus may extend support to the campus for Faculty Enablement process as well for 1 week's duration during this tenure, if required.
